

# Manchester PeaceJam Conference

## Friday 21st February 2025

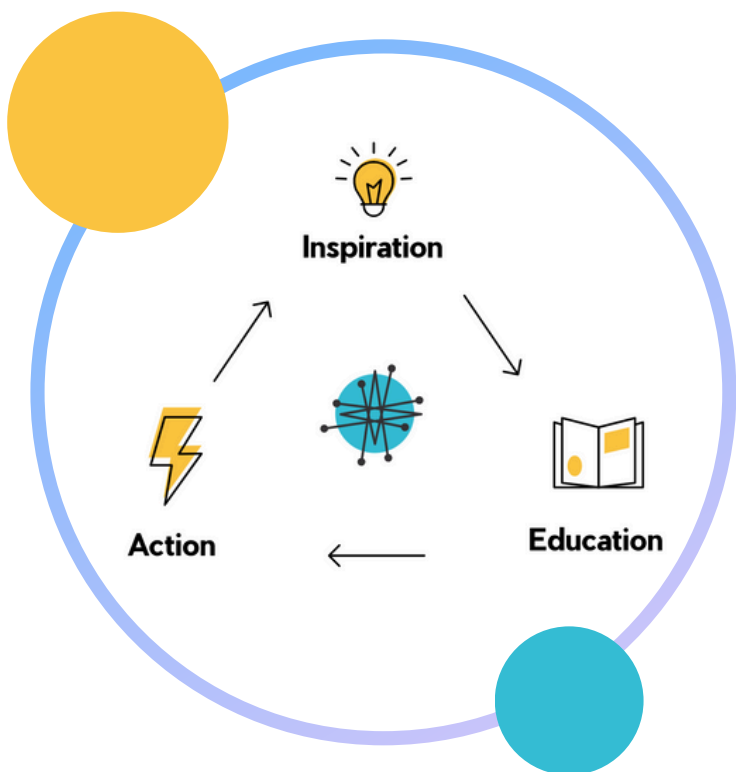

Planning is underway to bring a PeaceJam Slam to Manchester next year.

Get ready for an action-packed day, empowering youth to be the change they want to see in the world through **hands-on workshops and near-peer mentoring groups**. To facilitate sustainable change, schools and youth groups will also have **access to a six-week programme** that complements the Citizenship GCSE curriculum.

It will be held at the **Manchester Communication Academy**

PeaceJam UK has been working with schools and youth groups since 2006 through its education programmes and teacher-friendly resources.

The PeaceJam UK programme consists of three components: Education, Inspiration and Action.

The **education** aspect is delivered through comprehensive learning materials.

The **inspiration** is provided by the Nobel Peace Laureates themselves and other inspirational activists through materials and when they meet young people at the Youth Conferences.

The third key aspect of the programme, **action**, consists of a social change project devised and carried out by young people to tackle the root cause of the most pressing issues in their community, as part of the One Billion Acts of Peace campaign.
