

## TIMETABLE

# HOW DO WE COMBAT CONFLICT?

Dates : 20th November 2025

From Climate Justice activists to nuclear disarmament campaigners - ask our panel your questions!

Each class of student participants will be assigned two mentors to facilitate reflection and discussion throughout the day.

Each class of student participants will be assigned an engaging workshop. Addressing one of the themes and issue areas discussed throughout the conference.

For youth, by youth!

Our Online Conference has been planned and organised by our Youth Action Group. Comprised of students aged 15-25 from across the UK, they have met weekly since the start of summer to create the programme, organise the workshops and speakers and ensure this is an event tackling the pressing local and global issues youth want to address.

| Time     | Activity                                                    |
