PEACE STARTS WITH YOU WEEKEND

PeaceJam UK is underway planning its next event - an online weekend of events shaped around The International Day of Peace (Monday 21 September 2026).

This is an event created, planned, and led by youth, for youth!

Join us on Zoom for an action-packed weekend, empowering young people to make change in their communities and helping them to deal with anxiety around big issues, through workshops, speakers, and peer mentoring groups.

There are limited spaces for each event and youth will need to register for each event individually.

Register here: <https://peacejam.org.uk/events>

The targeted age range is 13-18 years old.
